Our Next Chapter!

Bill isn't going anywhere—but we're excited to announce an
exciting new chapter for our company!

Please join us in congratulating **Kelsi** and **Brian** as they
become co-owners alongside Bill. While their ownership
roles are new, their faces are certainly familiar. Both have
been valued members of our team for years, and we're
thrilled to see them step into this next chapter of leadership.

Kelsi P. Robins, CPA

Kelsi, Bill's youngest daughter, has been with the firm full-time since 2021. Her enthusiasm and positive energy is infectious, and maintains that "taxes can be fun!" She is a VWU Alum, CPA and EA, and is thrilled to continue her father's legacy as we begin this transition. She can't wait for this new chapter with her favorite brother-in-law.

Brian Keegan

Brian has been with our firm as a preparer, bookkeeper, and pre-interviewer since 2003. His attention to detail is unmatched (as well as his sense of humor). Married to Bill's oldest daughter, Brian has been a family and company pillar since welcoming him into our lives. He can't wait for this new chapter with his favorite sister-in-law.
